Acting ★ Film Making

You'll have the opportunity to act, film and assemble your movie in MovieMaker. We'll help write your script or you can use one of the hundreds of scripts that will be available at no additional charge.

SUMMER COMPUTER CAMP

Parent FAQs

Will the bathrooms be open?

Yes.

Can my child eat and drink in the computer lab?

No, but feel free to bring drinks and snacks to enjoy outside.

Can my child use his/her own camera?

Probably, depending on if MovieMaker is compatible with the video format of your camera. We'll figure it out on the first day. The computers in the Lab run Windows Vista. Based on experience, it's best to try the camera instead of trusting what's posted as to what will work.

Can my child use one of your cameras?

Yes.

Can my child choose the genre for his/her movie?

Yes.

Does my child have to act?

No, there will be plenty of work needed in filming and assembling the movies.

Can my child sell his/her movie?

Maybe.

The team that completes a movie describing 10 things a student can do to be successful in elementary school receives \$100. If more than one team chooses to participate, Mike Gargiulo will choose the winner. The winning movie may be used for classroom discussion at school.

Can I get a discount if my child can only attend 3 of the 5 days?

No.

Can my child leave early?

Yes, if arranged.

Can my child walk home?

Yes, if arranged.

What happens if I pick up my child late?

Starting at 1:05 you'll be asked to pay \$5.00 for each 5 minutes you're late before attending the next day. I am not trying to be unreasonable – I just need to get home to my family.
