

Early Out Wednesday

Our 1st—6th grade students will be dismissed at 1:30 pm every Wednesday.

For those students who are normally picked up from school, students will be in the pick-up line in front of the school waiting for their parents beginning at 1:30 pm. Traffic should flow smoothly as buses won't arrive until around 2:00 pm.

For those students who normally ride the bus, students will be supervised in small grade level groups from 1:30 pm until our buses arrive at their usual time. There will be no change in bus drop-off time in your neighborhood.

Primary bus-riding students will be grouped together for supervision and intermediate bus-riding students will be grouped together for supervision. Bus riders will have the opportunity to participate in some playground activities or remain in the multipurpose room to work on homework, study, or read quietly.

Thank you for your patience, understanding and flexibility, as we implement this new schedule which will allow our teachers in grade level teams to work together weekly to look at student data, discuss interventions and enrichments for students, and ensure learning for all.
