## STUDENT ALTERNATE TRANSPORTATION FORM

Students participating in off-campus District-sponsored activities, including, but not limited to, practices, games, meetings, competitions, and conferences ("Events"), are required to travel on school buses or by other District-designated methods of transportation. Under special circumstances, with the District's prior written approval, Students may be transported to and from Events (a) by a parent/guardian or other designated adult, or (2) by himself/herself. Under no circumstances may Students be transported in a vehicle driven by another student or anyone under 23 years of age.

Before the District grants a request for alternate transportation, this Student Alternate Transportation Form must be submitted to the School Office after it has been signed by the Student, the Student's parent/legal guardian, and the District employee supervising the Event. Before the Student Alternate Transportation Form will be accepted and approved by the School Office, the individual who will transport the Student must also complete and file with the School Office an acceptable (a) Personal Automobile Use Form (for parents/guardians/designated adults) or (b) Student Personal Automobile Use Form (if the Student intends to drive himself/herself to Events). If the required Forms are not submitted to and accepted by the School Office 48-hours before an Event, the Student must be transported to and from the Event through normal District-sponsored methods. A Student not complying with these provisions will not be allowed to attend or participate in the Event.
