

What's in YOUR Future?

CHOICES you make now

IMPACT your

OPTIONS tomorrow...DON'T PASS UP

OPPORTUNITIES that

IMPROVE YOUR

OPTIONS!

What do you do when your
campus doesn't have
opportunities that match
YOUR career goals?

Explore CTE!

What is Explore CTE?

Your school offers great Career Technical Education (CTE) programs, but can't cover all the career options. Explore CTE allows you to travel to other campuses to take advantage of CTE programs you can't find "at home."

What are the benefits of Explore CTE programs?

- Medical Explore CTE programs like medical assisting allow you to earn a certificate to work right after high school!
- Many Explore CTE programs are articulated for college credit!
- Many Explore CTE courses are concentrated, which means you can complete a year's worth of work in one semester!
- Explore CTE programs offer great hands-on learning and high-tech skills that are in demand!
- Gain confidence in your abilities and more options for work related to your career choice during college!

Explore CTE Course Schedule, 2019-20

Explore CTE offers students in EGUSD and from other districts, charter schools and home schools the opportunity for intensive career technical education experiences. Explore CTE replaces what had been known as ROP (Regional Occupational Program) as a result of changes to in state funding. Explore CTE courses are open only to high school students.

Explore CTE course titles and the sites that host them are:
