The Elk Grove Unified School District Facility Master Plan identifies up to \$2.1 million of facilities improvement needs at C.W. Dillard Elementary School over the next ten years.

To address these needs, and facilities needs identified across the District, a school facilities bond, Measure M, has been placed on the November 2016 ballot. If Measure M is approved by the voters, the proceeds will be used to upgrade and modernize facilities to provide 21<sup>st</sup> Century learning environments at all schools.

Other priorities identified at C.W. Dillard Elementary School:

- Security measures including camera systems and fencing
- Technology improvements
- New shade structure(s)

Project priorities will be determined by the Board of Education. Approval of Measure M does not guarantee all needed improvements will be completed due to the unpredictable nature of construction costs and the uncertainty of State and developer mitigation funding sources.
