(shared with Las Flores)
- 17,497 SF Building Area
- 123 Parking Spaces

Classrooms:

- 8 Regular
- 0 Special Education

Childcare:
None

The Elk Grove Unified School District Facility Master Plan identifies up to \$6.2 million of facilities improvement needs at Rio Cazadero High School over the next ten years.

To address these needs, and facilities needs identified across the District, a school facilities bond, Measure M, has been placed on the November 2016 ballot. If Measure M is approved by the voters, the proceeds will be used to upgrade and modernize facilities to provide 21st Century learning environments at all schools.

Other priorities identified at Rio Cazadero High School:

- Modernize classroom features to current District standards
- Major building systems upgrades including heating and air conditioning, roofing and electrical
- Security measures including camera systems and fencing
- Technology improvements
- CTE/Academy facilities
- Restroom renovations
- Hardcourt improvements
- Shade structures
- Drinking fountains
- Interior and exterior paint
- Carpeting and flooring improvements

Project priorities will be determined by the Board of Education. Approval of Measure M does not guarantee all needed improvements will be completed due to the unpredictable nature of construction costs and the uncertainty of State and developer mitigation funding sources.

The Facilities Master Plan is available at www.egusd.net.
