

16. Sasha once had an accident.
17. She nearly lost her life.
18. The vet acted quickly.
19. He removed one hind leg completely.
20. Now Sasha walks on three legs.
21. She soon became an expert at "hop-walking."
22. In spite of the loss, she moves quite efficiently.
23. Her disposition is extremely pleasant.
24. After school she waits patiently for me at the door.
25. I arrive and she jumps up.
26. I stoop down for her.
27. I always bring something for her.
28. She is very faithful to us.
29. Hop-walking sometimes tires her.
30. She flops down on the rug to rest.
