

EXPLORER PROJECT FOCUS

I Personal History

- Who are you researching? _____
- Where and when were they born? _____
- What was their childhood like?

- How did they become explorers?

- Why did they explore?

- What country did they represent? _____

II Their Exploration

- Where did they travel?

- Did they make one trip or several trips to the same place? _____
- What were they looking for?

- How did they explore? What kind of ships or equipment did they use?

III Success or Failure

- Did they find what they were looking for? _____
- If they didn't find what they were looking for, did they discover something else?

- How did their life end?

- Were they recognized for their accomplished right away or later in history?
