

Classroom Directory

A Classroom Directory will be created for your child's class. We encourage communication between students and their families. This directory can be a useful tool when a child has a question about homework or other school related topics.

If you feel comfortable having your information available to ONLY your child's class and their families, please take a moment and fill out the bottom portion of this form.

Only include information you would like published in your child's class directory.

Student Name: _____

Parent/Guardian Name(s): _____

Home Phone Number: _____

Mailing Address: _____

Home Email Address: _____

Thank you for taking the time to fill this out! We appreciate the information.
